

SCHOOL LINKING IN ACTION

Conference 2008

Monday 30th June 9:30 am – 5:00 pm

Suitable for educational practitioners interested in creating, enriching and sustaining a global dimension in the curriculum

This event will provide:

- ✓ Keynote speakers discussing school linking, global education and language teaching.
- ✓ Guidance and latest news on the International School Award.
- ✓ Stimulating workshops by practising teachers from a school linking project with Mexico.
- ✓ Networking opportunities with like-minded colleagues.
- ✓ Opportunity to participate in a video-conference with Mexican teachers.

Workshops:

- Challenges and possibilities of school linking.
- A practical and creative approach to communication for school linking.
- Developing audio resources for language teaching.
- Using Skype for Internet communication with teachers in other parts of the world.

Partnerships with schools in other countries can also provide a basis for broadening curriculum and subject areas to incorporate wider global input and perspectives.

'Developing the Global Dimension in the School Curriculum' (DfES, 2005)

Every child should have the opportunity throughout Key Stage 2 to study a foreign language and develop their interest in the culture of other nations.
